Youth ArtZeum
interactive kids' exhibit

Volunteers Needed!

What is ArtZeum?

What is this year's ArtZeum theme?

ArtZeum is an annual interactive children's arts exhibit. It includes multiple interconnected stations where kids can learn about the arts through play and hands-on activities. Each year features a new theme, allowing us to create new experiences for participants.

When does ArtZeum happen?

ArtZeum is a summer activity program. In 2019, ArtZeum is open from June 21 - August 11.

What we need: **YOU!**

We're looking for some friendly volunteers to greet and engage visitors during the exhibit and help them navigate the interactive parts of the exhibit. Some guests will want to self-direct their experience and some guests will need guidance: we need volunteers who can help everyone feel comfortable and get the most possible out of the display.

Once a week for seven weeks, in four hour blocks (either 9am-1pm or 1pm-5pm). This is a great opportunity to get some hands-on experience working with kids and adults from throughout the community.

Want to learn more?

Give us a call at The Kemp (940-767-2787) or go online to artscouncilwf.org/artzeum.

The 2017 and 2018 themes were "100 Years & Beyond" and "Outer Space!". 2019's theme is "Small Wonders: Insects and Art", helping us emphasize the important reintroduction of STEAM concepts to our community. We strongly believe Science, Technology, Engineering, Arts, and Maths can be combined to provide a rewarding gallery experience
