COVID-19 AND THE BFAC

During this time of uncertainty surrounding the COVID-19 pandemic, our board of directors have elected to temporarily close the Fine Arts Center until a time in the future when it is staff to reopen for both staff and visitors.

Unfortunately, this also means that our yearly Juried Art Show, originally scheduled for July, has been canceled. Any artists who have submitted entries into this year's show will be receiving a refund of their entry fee.

We are heartbroken to have to cancel this eagerly-anticipated yearly show, but erring on the side of caution and keeping those we love and cherish safe are out top priority.

Until we are able to open, the best way to keep informed of any virtual or at-home classes we'll be offering is to visit our follow us on [Instagram](#) or like us on [Facebook](#).

If you have any questions, please contact us at [\(254\) 559-6602](tel:254-559-6602) or email us at info@breckenridgefineart.org

We are currently monitoring the public health situation each day and adjusting our course of action to suit the situation at the time. The health and well-being of our students, guests and staff is extremely important to us. This includes physical health, but also includes the emotional health assisted through participation in the arts. For this reason, we are making day-by-day decisions about programming, so we can best serve our community.

UPDATE: (Friday, March 27) In compliance with the City of Wichita Falls shelter-in-place order, the Kemp and The Forum buildings and grounds will be closed starting Friday, March 27 at midnight until further notice.

We strongly encourage you to monitor our social media pages for the most up-to-date information on remote programming content. Links can be found at the bottom of this page.
