Mystery Art is an annual exhibit by local and regional artist of all levels. The artwork is donated by the artist and their name and the title of the work is hidden and becomes a mystery. Artwork is displayed in the NorthLight Gallery.

Throughout the course of the exhibit, interested patrons may bid for artwork in silent auction. If a piece meets the highest silent auction bid possible it goes to live auction on the night of Mystery Art Fest. During the live auction patrons make a bid and solve the mystery: which artist created each piece of art.

Genie Morgan is a mixed media studio artist with a concentration in fibers, a mother of 3, and a grandmother of 6. She loves the Lord Jesus with all her heart and has recently shared God's gifting of art with people in the UK.

Genie has a Bachelor's degree in Art Education from the University of North Texas, a Master's in Art Therapy from the University of Texas at Arlington, and has trained with many prestigious artists in watercolor, mixed media, and fibers. In 1995, God began showing her visions to draw during worship. Then a whole new realm of spiritual expression began to change how she painted and did art. She continues to explore new ideas and how to express the love of God through the visual arts.

Angela Hudson and Shawn Martin have been hosting creative groups since 2010. They have seen God advance writers to publish, unlock "creatives", release singers, and send artists to the mission field to use art to evangelize and minister healing to hearts.
