September Presentation by Jan Reid

Our September presentation was done by CTAA member Jan Reid. Jan gave us a hands on demo on how she works with plaster, gesso, paint and fabric to create her 3D sculptures on wire forms or on boards and canvas. She brought enough supplies for each of us attending to try their hand at what she does. We all attempted to create something with the fabric and gesso on canvas boards. Thank you Jan, we all had a lot of fun!

A couple of our creations below!

We welcomed Tammy Dahle to the meeting. A future member! She shared some of her art with us also.

Artist of the Month for September was Debbie Malone for her glass sculpture entitled "Glass on the Rocks".
